# 2024 IMPACT REPORT

-TOGETHER-  
*we give*

**Dear ACO Friends,**

All Community Outreach is in the business of changing lives. While it is hard to imagine families facing emergency crisis situations in our affluent and growing Collin County, the fact remains that many of our neighbors are facing homelessness and hunger. Because successful programs are in place to provide emergency assistance, education, and employment, ACO is providing a path for stability.

One example is a young mother named Victoria who came to All Community Outreach in crisis. She was days away from eviction, her pantry nearly empty, and she didn't know where to turn. With donor support, we were able to step in—providing food, emergency assistance, and resources to help her get back on her feet. Today, Victoria and her children now have a roof over their heads, meals on their table, and hope for a more stable future.

I am proud to present to you the 2024 ACO Annual Report, with valuable data that represents the work we do to help families in crisis restore their dignity, create opportunity, and strengthen our entire community.

On behalf of Victoria and the many families included in our 2024 report, I thank you for joining hands with All Community Outreach to change lives.

Many thanks,

Marjorie Vaneskahian Burr, ACO CEO
